

At Unidiversity Youth Camp, we require all adults (non-campers age 18 and older) to have a criminal background check performed within three years of July 20, 2020. The group leader needs to provide the name of each adult, the date the background check was completed, and the company used for the background check. In addition to the group leader's signature, please have another organizational representative sign the form. You may either upload a scanned copy of the signed form or mail the signed form to Unidiversity Youth Camp 847 Cleveland Street; Greenville, SC 29601.

Thank you for your leadership with protecting not only your teenagers, but the entire Unidiversity Youth Camp family.
